Restoring Peace of Mind to Vehicle Owners

Keeping Our Customers Moving

● Since 1998

Founded in 1998, Nexterra Solutions Group has transformed into the leading international automotive restoration, repair, and claims management services firm.

The Nexterra Experience

Estimate Damages

Nexterra receives your claim from your insurance carrier. You will be contacted to schedule an inspection of your vehicle. Nexterra submits this estimate to your insurance company for payment processing.

Let's keep it simple. Tell us when and where, and we'll be there.

Repair Your Vehicle

Time to remove those dents, replace broken glass, and get your vehicle back in tip-top shape. Sit back and relax while we manage your repair from start to finish. Complete with a Lifetime Guarantee!

Paving the Road to Mobility

Traditional Mobile PDR Process

Our Concierge Repair Program

Repair needs can come in all shapes and sizes. Because we understand every customer and their needs for repair may be different, we offer custom solutions in order to make the process hassle-free and convenient. You have enough worry about already. Let us take the stress out of repairing your vehicle. We are equipped to handle your repair from A-Z!

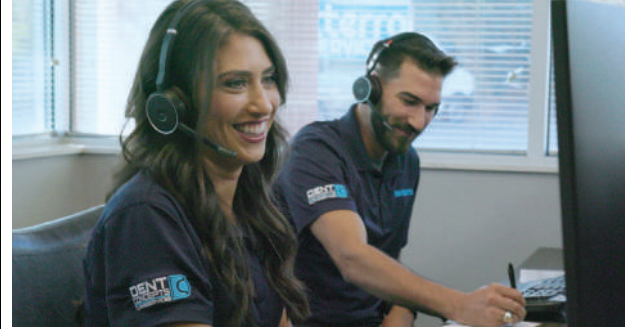

Our Mobile Repair Units (Featured to the right) are customized to allow our technicians to service even the most remote locations across the U.S. If your vehicle qualifies for Mobile Repair, our technicians are able to complete repairs right at your home or workplace without your vehicle ever needing a body shop! This includes all Paintless dent Repair, minor parts replacement, and glass replacement!

We handle two types of repairs in six simple steps:

- Traditional PDR Repairs
- Traditional PDR + Conventional Repairs
- At customer's home/work and then a Certified Repair Shop
- All mobile + contact-free

Traditional Mobile PDR Process

1. We schedule your no-contact appointment at your home or work
2. Mobile service repair center arrives to customer's home
3. Belt moldings and trim replaced (when applicable)
4. Technician inspects and/or repairs damage
5. Vehicle is sanitized with ResistAll once service is completed
6. Customer inspects vehicle while technician is waiting in van

Paving the Road to Mobility

Traditional Mobile PDR + Conventional Repairs Process

In some cases, your vehicle may require, what we call, Conventional Repair to be completed due to the severity of the damage. In this scenario, see our simple process below:

1. We schedule your concierge mobile repair
 2. Your technician completes all Paintless Dent Repair as scheduled at your home or workplace
 3. Our team schedules an appointment on your behalf at one of our Choice Repair Facilities (CRF) most suited for your vehicle
 4. Conventional Repairs then completed at our CRF (Significantly shrinking your repair time).
 5. Your vehicle returned to you and inspected to assure your satisfaction!
- P.S – If you'll need a rental vehicle for the duration of your repairs, let our team know when scheduling your Repair Appointment!*

Traditional Mobile PDR + Conventional Repairs Process

While at Customer Residence

1. We schedule your no-contact appointment at your home or work
2. Mobile service repair center arrives to customer's home
3. Belt moldings and trim replace (when applicable)
4. Vehicle is sanitized with ResistAll once service is completed
5. Technician notifies customer of need for conventional repairs
6. Customer inspects vehicle with technician is waiting in van

Traditional Mobile PDR + Conventional Repairs Process

While at Certified Repair Facility

1. Customer's vehicle is picked-up via flatbed truck
2. Enterprise drops off rental vehicle to customer
3. Conventional repairs are completed at Certified Repair Facility
4. Vehicle is sanitized with ResistAll once service is completed
5. Vehicle is returned to customer and rental is picked-up by Enterprise
6. Customer will inspect vehicle to assure satisfaction
