**Nexterra Solutions Brands Continue To Be A Proud I-CAR Sustaining Partner**

*Plans to expand their relationship with the I-CAR curriculum and recognition programs*

**Nashville, TN, January 25 ,2024, The Nexterra, LLC** brands will enter into 2024 remaining a proud I-CAR Sustaining Partner. It has been a great experience for not only the company, but for all of the individuals involved. The Nexterra family is honored to be involved in this amazing program. Nexterra's main goal is to benefit their clients – which closely aligns with the mission of I-CAR. They are proud to continue their third year as a sustaining partner.

The I-CAR Sustaining Partner program allows the Inter-Industry to come together to support the collision repair sector with training that ensures the goal of complete, safe and quality repairs. The program ensures that every person has the information, knowledge and skills required to perform repairs on behalf of the consumer. Partners help I-CAR deliver increasingly accessible, on-demand, relevant and cost-effective technical education programming and related technical support services across the industry.

President, Anthony Natale, states what an amazing honor it is to be a part of this program, *"Nexterra has proudly served the insurance and automotive communities for 20 years. We are family owned and operated with a grass roots approach to the modern world. Our internationally recognized firms provide common and shared values with team members, experienced technicians, customers and everything I-CAR stands for."*

The Nexterra brand is committed to paving the way with forward thinking, innovative services. Throughout 2022, Nexterra will continue to expand their I-CAR Sustaining Partnership by advancing repair skills with new training programs. The repair team will also work with I-CAR to keep up with current and future repair methods on today's sophisticated vehicles. Nexterra's company goal is to provide proper restorations, exceptional business performance and risk-reduction in the industry.

Nexterra offers solutions that are customizable, including off-the-shelf and a la carte claims processing, vehicle service contracts and accident management platforms. They are driven by appraisals, paintless dent removal, windshield, tire and wheel repair and replacement capabilities. In addition, they offer towing and car rental services. The firm's services are sustainable and highly scalable, with tenured teams and proven processes fueled by advanced technologies and key strategic partner-providers. The company is an international provider to the insurance and automotive aftermarket sector that reaches various industries across 50 states, Australia and Europe. Their umbrella brands, Dent Concepts, DC Services and Allied Overspray, are widely utilized.
