

Hasbro Children's Hospital and Boston Children's Hospital partner with Seasons Corner Market for Shell's "The Giving Pump" To Offer Consumers the Opportunity to Use Their Fill-Up for Good

Consumers can visit Seasons Corner Market to fill up at designated fueling pumps to support Hasbro Children's Hospital and Boston's Children's Hospital

Lincoln, RI (Aug. 1st, 2023) — Hasbro Children's Hospital and Boston Children's Hospital are proud to partner with Seasons Corner Market for the [Shell USA](#) (Shell) "The Giving Pump" as part of its [Force For Good](#) initiative to drive positive change in local communities by giving back. Starting today and running through September 30th, 2023, a portion of every gallon of gas purchased at the specially marked pumps at Seasons Corner Market stations across New England will support Hasbro Children's Hospital and Boston Children's Hospital.

"We encourage everyone to choose 'The Giving Pump' on their next fill up to help support these two amazing hospitals. We're thrilled for our Seasons Corner Market stations and other participating Shell stations for being a part of this local initiative" said Sandy Delli Carpini, Chief Marketing Officer at Seasons Corner Market. "For several years, we've been fortunate enough to raise large donations through events and fundraisers to support our community and feel extra grateful to support our local children."

Seasons Corner Market raised \$105,000 during last year's Giving Pump charity initiative. The Giving Pump at Seasons Corner Market will be specially marked with colorful signage to inspire consumers to fuel up and support these local children's hospitals. It's easy to participate in the program, and it costs customers nothing extra.

More than 7,500 Shell stations across the U.S. are participating in this two-month Giving Pump initiative. Those looking to find a participating station can visit shell.us/givingpump.

Since launching Force for Good, Shell has highlighted the impacts its wholesalers have made in the communities in which they operate, going beyond fuel quality and loyalty. Through The Giving Pump, Shell Wholesalers and retailers have donated over \$4.7 million and supported over 500 charities.

Visit shell.us/givingpump to find additional program details, participating sites and content on local charity partners, and follow [@SeasonsCornerMarket](#) & [@ShellStationsUS](#) to keep up with the latest news.
